The beauty rooms

Situated in over seven and a half acres of gardens, the privately owned Welsh Hotel in Cwmbran is an ideal setting for both Business and Pleasure.

This four star AA accredited Luxury Hotel has undergone an uplifting refurbishment after being taken over by the de Savary family in November 2012. The addition of three treatment rooms has been greatly received. Our professional Beauty Therapists have had intense Yon-Ka training to make your experience perfect.

We have carefully chosen and selected the Parisian brand Yon-Ka for our facial treatments which offer a unique aromatic experience. All treatments are carried out by our qualified therapists in our relaxing treatment rooms.
